Kinetic Potential Scholars

Subject Areas Covered: Math, ELA, reading, science
Grade Levels to be Served: K-12
Number of Students to be Served: no maximum
Service Area: Districts in the following counties: Statewide
Time of Service: Before/after school, weekends, summer , holidays
Teacher/Student Ratio: 1: 1-10
Cost: $75/hr for group instruction; $90/hr for individual instruction
Approved: 07/12
Program Description: The Kinetic Potential Scholars (KPS) program is a comprehensive online program that utilizes video game technology (i.e. similar to Wii / Playstation) to engage students in their own education as video games grab and keep the attention of its players. By recruiting KP Tutors from America's top graduate universities in education – including those of Harvard, Columbia, Penn, and Yale – we provide our families with the highest caliber of educators to support their academic growth. Kinetic Potential Scholars is more than just tutoring; we also provide our students with mentors that are focused on the long-term development of each of our students.
