Assessment for [redacted]
Date 4-2-08

Circle the correct answer.

—1 75%

1. Which one is an example of an Antonym?

a). Stop and go 
b). Look  and see 
2. Which one is an example of an Antonym?

a). Yes and no 
b). Round  and ball

3. Which one is an example of an Antonym?

* Before [redacted] did the worksheet we read the book, Stop and Go, Yes and No by Brian P. Cleary. He understood the examples in the book. If I changed the word to opposite he would have
