

## EDUCATION DEPARTMENT[281]

### Notice of Intended Action

Pursuant to the authority of Iowa Code section 256.7(5), the State Board of Education hereby proposes to rescind Chapter 120, "Early ACCESS Integrated System of Early Intervention Services," Iowa Administrative Code, and to adopt a new Chapter 120 with the same title.

The sequence and format of new Chapter 120 parallels the pertinent federal regulations under Part C of the Individuals with Disabilities Education Act. Federal statutory and regulatory changes require most of the substantive revisions in proposed Chapter 120, including state monitoring and general supervision, timelines for referrals for evaluation and assessment, and the conduct and content of evaluations and assessments.

No waiver provision is included because the Board of Education has adopted agencywide waiver rules in 281— Chapter 4.

Any interested person may submit electronic, oral or written comments on or before March 15, 2012, by addressing them to Thomas Mayes, Legal Consultant, Bureau of Student and Family Support Services, Department of Education, Grimes State Office Building, Des Moines, Iowa 50319–0146; telephone (515)242–5614; fax (515)281–6019; E–mail [Thomas.Mayes@Iowa.gov](mailto:Thomas.Mayes@Iowa.gov).

Two public hearings will be held over the Iowa Communications Network (ICN). The public hearings are scheduled on March 13, 2012, from 2 to 3:30 p.m. and on March 15, 2012, from 2:00 to 3:30 p.m., at which persons may present their views orally or in writing. **CHAPTER 120**  
**EARLY ACCESS INTEGRATED SYSTEM OF**  
**EARLY INTERVENTION SERVICES**

**DIVISION I**  
**PURPOSE AND APPLICABILITY**

**280—120.1(34CFR303) Purposes and Outcomes of the Early ACCESS Integrated System of Early Intervention Services.**

**120.1(1)** *Establishment of Early ACCESS Integrated System of Early Intervention Services.* This chapter establishes Iowa's Early ACCESS Integrated System of Early Intervention Services, which is Iowa's implementation of Part C of the Individuals with Disabilities Education Act.

**120.1(2)** *Purposes.* The purposes of this chapter are as follows:

1. Develop and implement a statewide, comprehensive, coordinated, multidisciplinary, interagency system that provides early intervention services for infants and toddlers with disabilities and their families;
2. Facilitate the coordination of payment for early intervention services from federal, state, local, and private sources (including public and private insurance coverage);
3. Enhance Iowa's capacity to provide quality early intervention services and expand and improve existing early intervention services being provided to infants and toddlers with disabilities and their families; and
4. Enhance the capacity of state and local agencies and service providers to identify, evaluate, and meet the needs of all children, including historically underrepresented populations, particularly minority, low-income, inner-city, and rural children, and infants and toddlers in foster care.

**120.1(3)** *Overall outcomes.* The overall intended outcome of Early ACCESS is to provide early intervention resources, supports, and services to eligible children and their

families within a coordinated, integrated system. Early ACCESS is aimed at the following four outcomes:

1. Enhancing the development of eligible children;
2. Reducing educational costs to society by minimizing the need for special education and related services after such children reach school age;
3. Preparing eligible children for school entry; and
4. Enhancing the capacity of families to meet the unique needs of their eligible children.

**280—120.2(34CFR303) Applicability of this chapter.** The provisions of this chapter apply to the Iowa Department of Education, as the state lead agency, the signatory agencies identified in subrule 120.39(15), and any EIS provider that is part of the statewide system of early intervention, regardless of whether that EIS provider receives funds under Part C of the Act. The chapter applies to all children referred to the Part C program, including infants and toddlers with disabilities consistent with the definitions in rules 280--120.6(34CFR303) and 281—120.21(34CFR303), and their families. The provisions of this chapter do not apply to any child with a disability receiving a free appropriate public education or FAPE under 34 CFR part 300.

**281—120.3(34CFR303) Applicable federal regulations.**

**120.3(1) General.** The following regulations apply to this chapter:

- a. The regulations at 34 CFR part 303.
- b. The Education Department General Administrative Regulations (EDGAR), including 34 CFR Parts 76 (except for §76.103), 77, 79, 80, 81, 82, 84, 85, and 86.

**120.3(2) References in EDGAR.** In applying EDGAR regulations cited subrule 120.3(1), any reference to--

- b. Complete the screening (if applicable), the initial evaluation, the initial assessments (of the child and family), and the initial IFSP meeting as soon as possible after the documented exceptional family circumstances described in paragraph "a" of subrule 120.310(2) no longer exist or parental consent is obtained for the screening (if applicable), the initial evaluation, and the initial assessment of the child; and

c. Develop and implement an interim IFSP, to the extent appropriate and consistent with rule 281—120.345(34CFR303).

**120.310(4) *Initial family assessment.*** The initial family assessment must be conducted within the 45-day timeline in subrule 120.310(1) if the parent concurs and even if other family members are unavailable.

**281—120.311 to 120.319 Reserved.**

**281—120.320(34CFR303) Screening procedures.**

**120.320(1) *General.***

a. The Department may adopt procedures, consistent with the requirements of this rule, to screen children under the age of three who have been referred to the Part C program to determine whether they are suspected of having a disability under this chapter. If a public agency or EIS provider proposes to screen a child, it must--

(1) Provide the parent notice under rule 281—120.421(34CFR303) of its intent to screen the child to identify whether the child is suspected of having a disability and include in that notice a description of the parent’s right to request an evaluation under rule 281—120.321 at any time during the screening process; and

(2) Obtain parental consent as required in subrule 120.420(1) before conducting the screening procedures.

b. If the parent consents to the screening and the screening or other available information indicates that the child is--

(1) Suspected of having a disability, after notice is provided under rule 281—120.421(34CFR303) and once parental consent is obtained as required in rule 281—120.420(34CFR303), an evaluation and assessment of the child must be conducted under rule 281—120.321(34CFR303); or

(2) Not suspected of having a disability, the public agency or EIS provider must ensure that notice of that determination is provided to the parent under rule 281—120.421(34CFR303), and that the notice describes the parent’s right to request an evaluation.

c. If the parent of the child requests and consents to an evaluation at any time during the screening process, evaluation of the child must be conducted under rule 281—120.321(34CFR303), even if the public agency or EIS provider has determined under 120.320(1)“b”(2) that the child is not suspected of having a disability.

**120.320(2) *Definition of screening procedures.*** As used in this rule, “screening procedures”--

a. Means activities under subrule 120.320(1) that are carried out by, or under the supervision of, a public agency or EIS provider to identify, at the earliest possible age, infants and toddlers suspected of having a disability and in need of early intervention services; and

b. Includes the administration of appropriate instruments by personnel trained to administer those instruments.

**120.320(3) *Condition for evaluation or early intervention services.*** For every child under the age of three who is referred to the Part C program or screened in accordance with subrule 120.320(1), the applicable agency is not required to--

a. Provide an evaluation of the child under rule 281—120.321(34CFR303) unless the child is suspected of having a disability or the parent requests an evaluation under paragraph “c” of subrule 120.320(1); or

b. Make Early ACCESS services available under this chapter to the child unless a determination is made that the child meets the definition of infant or toddler with a disability under rule 281—120.121(34CFR303).

**120.320(4) Rules of construction.**

a. This rule does not apply to activities undertaken by entities or activities not regulated by this chapter, activities that are undertaken by grantees, signatory agencies, Early ACCESS providers prior to referral, activities undertaken after consent for an evaluation and assessment under rule 281—120.321(34CFR303) is received, or to activities taken pursuant to an IFSP.

b. As a general rule, a public agency suspects a child is a child with a disability when the public agency is aware of facts and circumstances that, when considered as a whole, would cause a reasonably prudent public agency to believe that the child’s performance might be explained because the child is an eligible individual under this chapter.

**281—120.321(34CFR303) Evaluation of the child and assessment of the child and family.**

**120.321(1) General.** The Department must ensure that, subject to obtaining parental consent in accordance with subrule 303.420(1), each child under the age of three who is referred for evaluation or early intervention services under this chapter and suspected of having a disability, receives--

a. A timely, comprehensive, multidisciplinary evaluation of the child in accordance with subrule 120.321(3) unless eligibility is established 120.321(3)”a”; and

b. If the child is determined eligible as an infant or toddler with a disability as defined in rule 281—120.21(34CFR303)--

(1) A multidisciplinary assessment of the unique strengths and needs of that infant or toddler and the identification of services appropriate to meet those needs;

(2) A family-directed assessment of the resources, priorities, and concerns of the family and the identification of the supports and services necessary to enhance the family's capacity to meet the developmental needs of that infant or toddler. The assessments of the child and family are described in subrule 120.321(5) and these assessments may occur simultaneously with the evaluation, provided that the requirements of subrule 120.321(4) are met.

**120.321(2) Definitions.** As used in this chapter--

a. “Evaluation” means the procedures used by qualified personnel to determine a child’s initial and continuing eligibility under this chapter, consistent with the definition of infant or toddler with a disability in rule 281—120.21(34CFR303).

b. An “initial evaluation” refers to the child’s evaluation to determine his or her initial eligibility under this chapter;

c. “Assessment” means the ongoing procedures used by qualified personnel to identify the child’s unique strengths and needs and the early intervention services appropriate to meet those needs throughout the period of the child’s eligibility under this

chapter and includes the assessment of the child, consistent with 120.321(5)"a" and the assessment of the child's family, consistent with 120.321(5)"b"; and

d. "Initial assessment" refers to the assessment of the child and the family assessment conducted prior to the child's first IFSP meeting.

**120.321(3) General procedures.**

a. A child's medical and other records may be used to establish eligibility (without conducting an evaluation of the child) under this chapter if those records indicate that the child's level of functioning in one or more of the developmental areas identified in subrule 303.21(1) constitutes a developmental delay or that the child otherwise meets the criteria for an infant or toddler with a disability under rule 281—120.21(34CFR303). If the child's Part C eligibility is established under this paragraph, the public agency or EIS provider must conduct assessments of the child and family in accordance with subrule 120.321(5).

b. Qualified personnel must use informed clinical opinion when conducting an evaluation and assessment of the child. In addition, the Department must ensure that informed clinical opinion may be used as an independent basis to establish a child's eligibility under this chapter even when other instruments do not establish eligibility; however, in no event may informed clinical opinion be used to negate the results of evaluation instruments used to establish eligibility under subrule 120.321(4).

c. All evaluations and assessments of the child and family must be conducted by qualified personnel, in a nondiscriminatory manner, and selected and administered so as not to be racially or culturally discriminatory.

d. Unless clearly not feasible to do so, all evaluations and assessments of a child must be conducted in the native language of the child.

e. Unless clearly not feasible to do so, family assessments must be conducted in the native language of the family members being assessed.

**120.321(4) Procedures for evaluation of the child.** In conducting an evaluation, no single procedure may be used as the sole criterion for determining a child's eligibility under this chapter. Procedures must include--

a. Administering an evaluation instrument;

b. Taking the child's history (including interviewing the parent);

c. Identifying the child's level of functioning in each of the developmental areas in subrule 120.21(1);

d. Gathering information from other sources such as family members, other caregivers, medical providers, social workers, and educators, if necessary, to understand the full scope of the child's unique strengths and needs; and

e. Reviewing medical, educational, or other records.

**120.321(5) Procedures for assessment of the child and family.**

a. An assessment of each infant or toddler with a disability must be conducted by qualified personnel in order to identify the child's unique strengths and needs and the early intervention services appropriate to meet those needs. The assessment of the child must include the following--

(1) A review of the results of the evaluation conducted under subrule 120.321(3);

(2) Personal observations of the child; and

(3) The identification of the child's needs in each of the developmental areas in subrule 120.21 (1).

b. A family-directed assessment must be conducted by qualified personnel in order to identify the family's resources, priorities, and concerns and the supports and services necessary to enhance the family's capacity to meet the developmental needs of the family's infant or toddler with a disability. The family-directed assessment must--

(1) Be voluntary on the part of each family member participating in the assessment;

(2) Be based on information obtained through an assessment tool and also through an interview with those family members who elect to participate in the assessment; and

(3) Include the family's description of its resources, priorities, and concerns related to enhancing the child's development.

**281—120.322(34CFR303) Determination that a child is not eligible.** If, based on the evaluation conducted under rule 281—120.321(34CFR303), the applicable agency determines that a child is not eligible under this chapter, the agency must provide the parent with prior written notice required in rule 281—120.421(34CFR303), and include in the notice information about the parent's right to dispute the eligibility determination through dispute resolution mechanisms under rule 281—120.430(34CFR303), such as requesting a due process hearing or mediation or filing a state complaint.

**281—120.323 to 120.339 Reserved.**

**281—120.340(34CFR303) Individualized family service plan--general.** For each infant or toddler with a disability, the Department must ensure the development, review, and implementation of an individualized family service plan developed by a multidisciplinary team, which includes the parent, that is consistent with the definition of that term in rule 281—120.20(34CFR303) and meets the requirements in rules 281—120.342(34CFR303) through 281—120.346(34CFR303).

**281—120.341 Reserved.**

**281—120.342(34CFR303) Procedures for IFSP development, review, and evaluation.**

**12.342(2) Periodic review.**

a. A review of the IFSP for a child and the child's family must be conducted every six months, or more frequently if conditions warrant, or if the family requests such a review. The purpose of the periodic review is to determine--

(1) The degree to which progress toward achieving the results or outcomes identified in the IFSP is being made; and

(2) Whether modification or revision of the results, outcomes, or early intervention services identified in the IFSP is necessary.

b. The review may be carried out by a meeting or by another means that is acceptable to the parents and other participants.

**120.342(3) *Annual meeting to evaluate the IFSP.*** A meeting must be conducted on at least an annual basis to evaluate and revise, as appropriate, the IFSP for a child and the child's family. The results of any current evaluations and other information available from the assessments of the child and family conducted under rule 281—120.321(34CFR303) must be used in determining the early intervention services that are needed and will be provided.

**120.342(4) *Accessibility and convenience of meetings.***

a. IFSP meetings must be conducted--

(1) In settings and at times that are convenient for the family; and

(2) In the native language of the family or other mode of communication used by the family, unless it is clearly not feasible to do so.

b. Meeting arrangements must be made with, and written notice provided to, the family and other participants early enough before the meeting date to ensure that they will be able to attend.

**120.342(5) *Parental consent.*** The contents of the IFSP must be fully explained to the parents and informed written consent, as described in rule 281—120.7(34CFR303), must be obtained, as required in subrule 303.420(1), prior to the provision of early intervention services described in the IFSP. Each early intervention service must be provided as soon as possible after the parent provides consent for that service, as required in subrule 120.344(6).

120.343(1)''a''(4). If conditions warrant, provisions must be made for the participation of other representatives identified in subrule 120.343(1).

**281—120.344(34CFR303) Content of an IFSP.**

**120.344(1) *Information about the child's status.*** The IFSP must include a statement of the infant or toddler with a disability's present levels of physical development (including vision, hearing, and health status), cognitive development, communication development, social or emotional development, and adaptive development based on the information from that child's evaluation and assessments conducted under rule 281—120.321(34CFR303).

**120.344(2) *Family information.*** With the concurrence of the family, the IFSP must include a statement of the family's resources, priorities, and concerns related to enhancing the development of the child as identified through the assessment of the family under 120.321(5)''b''.

**120.344(4) *Early intervention services.***

a. The IFSP must include a statement of the specific early intervention services, based on peer-reviewed research (to the extent practicable), that are necessary to meet the unique needs of the child and the family to achieve the results or outcomes identified in subrule 120.344(3), including--

(2) A statement that each early intervention service is provided in the natural environment for that child or service to the maximum extent appropriate, consistent with 120.13(1)''h'', rule 281—120.26(34CFR303), and rule 281—120.126(34CFR303), or, subject to subparagraph ''a''(3) of this subrule, a justification as to why an early intervention service will not be provided in the natural environment.

(3) The determination of the appropriate setting for providing early intervention services to an infant or toddler with a disability, including any justification for not providing a particular early intervention service in the natural environment for that infant or toddler with a disability and service, must be--

- (5) As used in this subrule, “location” means the actual place or places where a service will be provided.

*c. Reserved.*

**120.344(5) Other services.** To the extent appropriate, the IFSP also must--

- b. If those services are not currently being provided, include a description of the steps the service coordinator or family may take to assist the child and family in securing those other services.

**120.344(6) Dates and duration of services.** The IFSP must include--

- b. The anticipated duration of each service.

**120.344(7) Service coordinator.** The IFSP must include the name of the service coordinator from the profession most relevant to the child's or family's needs (or who is otherwise qualified to carry out all applicable responsibilities under this chapter), who will be responsible for implementing the early intervention services identified in a child's IFSP, including transition services, and coordination with other agencies and persons. In meeting the requirements of this subrule, the term "profession" includes "service coordination."

**120.344(8) Transition from Part C services.**

a. The IFSP must include the steps and services to be taken to support the smooth transition of the child, in accordance with rule 281—120.209(34CFR303) from Part C services to--

However, Part C of the Act does not require that any public agency or EIS provider be held accountable if an eligible child does not achieve the growth projected in the child's IFSP, so long as the individual's IFSP was reasonably calculated to confer benefit and was implemented.

**281—120.347 to 120.399 Reserved.**

**DIVISION VI  
PROCEDURAL SAFEGUARDS**

**281—120.400(34CFR303) General responsibility of lead agency for procedural safeguards.** Subject to paragraph (3) of this rule, the Department must--

1. Establish or adopt the procedural safeguards that meet the requirements of this subpart, including the provisions on confidentiality in rule 281—120.401(34CFR303) through rule 281—120.417(34CFR303), parental consent and notice in rule 281—120.420(34CFR303) and rule 281—120.421(34CFR303), surrogate parents in rule 281—120.422(34CFR303), and dispute resolution procedures in rule 281—120.430(34CFR303);
2. Ensure the effective implementation of the safeguards by each participating agency (including the lead agency and EIS providers) in the statewide system that is involved in the provision of early intervention services under this chapter; and
3. Make available to parents an initial copy of the child's early intervention record, at no cost to the parents.

**281—120.401(34CFR303) Confidentiality and opportunity to examine records.**

**120.401(1) General.** Each state must ensure that the parents of a child referred under this chapter are afforded the right to confidentiality of personally identifiable information, including the right to written notice of, and written consent to, the exchange of that information among agencies, consistent with federal and state laws.

**120.401(2) Confidentiality procedures.** As required under sections 617(c) and 642 of the Act, the regulations in this rule through rule 281—120.417(34CFR303) ensure the protection of the confidentiality of any personally identifiable data, information, and records collected or maintained pursuant to this chapter by the Secretary and by participating agencies, including the Department and EIS providers, in accordance with the protections under the Family Educational Rights and Privacy Act (FERPA) in 20 U.S.C. 1232g and 34 CFR part 99. *a.* Is contained in early intervention records collected, used, or maintained under this chapter by the Department or an EIS provider; and

*b.* Applies from the point in time when the child is referred for early intervention services under this chapter until the later of when the participating agency is no longer required to maintain or no longer maintains that information under applicable federal and state laws.

**281—120.402(34CFR303) Confidentiality.** The Secretary takes appropriate action, in accordance with section 444 of GEPA, to ensure the protection of the confidentiality of

any personally identifiable data, information, and records collected, maintained, or used by the Secretary and by all lead agencies and EIS providers pursuant to Part C of the Act, and consistent with 281—120.401(34CFR303) through rule 281—120.417(34CFR303). The regulations in rule 281—120.401(34CFR303) through rule 281—120.417(34CFR303) ensure the protection of the confidentiality of any personally identifiable data, information, and records collected or maintained pursuant to this chapter by the Secretary and by participating agencies, including state lead agencies and EIS providers, in accordance with the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. 1232g, and 34 CFR part 99.

**281—120.404(34CFR303) Notice to parents.** The relevant agency must give notice when a child is referred under Part C of the Act that is adequate to fully inform parents about the requirements in rule 281—120.402(34CFR303), including--

**120.405(1) General.** Each participating agency must permit parents to inspect and review any early intervention records relating to their children that are collected, maintained, or used by the agency under this chapter. The agency must comply with a parent's request to inspect and review records without unnecessary delay and before any meeting regarding an IFSP, or any hearing pursuant to subrule 120.430(4) and rules 281—120.435(34CFR303) through rule 281—120.439(34CFR303), and in no case more than 10 days after the request has been made.

**120.405(2) Inspect and review.** The right to inspect and review early intervention records under this rule includes--

*a.* The right to a response from the participating agency to reasonable requests for explanations and interpretations of the early intervention records;

*b.* The right to request that the participating agency provide copies of the early intervention records containing the information if failure to provide those copies would effectively prevent the parent from exercising the right to inspect and review the records; and

*c.* The right to have a representative of the parent inspect and review the early intervention records.

**120.405(3) Rule of construction.** An agency may presume that the parent has authority to inspect and review records relating to his or her child unless the agency has been provided documentation that the parent does not have the authority under applicable state laws governing such matters as custody, foster care, guardianship, separation, and divorce.

**281—120.406(34CFR303) Record of access.** Each participating agency must keep a record of parties obtaining access to early intervention records collected, maintained, or used under Part C of the Act (except access by parents and authorized representatives and employees of the participating agency), including the name of the party, the date access was given, and the purpose for which the party is authorized to use the early intervention records.

**281—120.407(34CFR303) Records on more than one child.** If any early intervention record includes information on more than one child, the parents of those children have the right to inspect and review only the information relating to their child or to be informed of that specific information.

**281—120.408(34CFR303) List of types and locations of information.** Each participating agency must provide parents, on request, a list of the types and locations of early intervention records collected, maintained, or used by the agency.

**281—120.409(34CFR303) Fees for records.**

**120.409(1) General.** Each participating agency may charge a fee for copies of records that are made for parents under this chapter if the fee does not effectively prevent the parents from exercising their right to inspect and review those records, except as provided in subrule 120.409(3).

**120.409(2)** *No fees to search or retrieve.* A participating agency may not charge a fee to search for or to retrieve information under this chapter.

**120.409(3)** *Copies of certain documents at no cost.* A participating agency must provide at no cost to parents, a copy of each evaluation, assessment of the child, family assessment, and IFSP as soon as possible after each IFSP meeting.

**281—120.410(34CFR303) Amendment of records at a parent's request.**

**120.410(1)** *Parent may request amendment.* A parent who believes that information in the early intervention records collected, maintained, or used under this chapter is inaccurate, misleading, or violates the privacy or other rights of the child or parent may request that the participating agency that maintains the information amend the information.

**120.410(2)** *Agency to act on parent's request.* The participating agency must decide whether to amend the information in accordance with the request within a reasonable period of time of receipt of the request.

**120.410(3)** *Agency to inform parent of hearing rights.* If the participating agency refuses to amend the information in accordance with the request, it must inform the parent of the refusal and advise the parent of the right to a hearing under rule 281—120.411(34CFR303).

**281—120.411(34CFR303) Opportunity for a hearing.** The participating agency must, on request, provide parents with the opportunity for a hearing to challenge information in their child's early intervention records to ensure that it is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the child or parents. A parent may request a due process hearing under the procedures in subrule 120.430(4), provided that such hearing procedures meet the requirements of the hearing procedures in rule 281—120.413(34CFR303), or may request a hearing directly under rule 281—120.413(34CFR303).

**281—120.412(34CFR303) Result of hearing.**

**120.412(1)** *Information to be amended.* If, as a result of the hearing, the participating agency decides that the information is inaccurate, misleading or in violation of the privacy or other rights of the child or parent, it must amend the information accordingly and so inform the parent in writing.

**120.412(2)** *Information not to be amended.* If, as a result of the hearing, the agency decides that the information is not inaccurate, misleading, or in violation of the privacy or other rights of the child or parent, it must inform the parent of the right to place in the early intervention records it maintains on the child a statement commenting on the information or setting forth any reasons for disagreeing with the decision of the agency.

**120.412(3)** *Explanation placed in records.* Any explanation placed in the early intervention records of the child under this rule must be maintained by the agency as part of the early intervention records of the child as long as the record or contested portion is maintained by the agency; and if the early intervention records of the child or the contested portion are disclosed by the agency to any party, the explanation must also be disclosed to the party.

**281—120.413(34CFR303) Hearing procedures.** A hearing held under rule 281—120.411(34CFR303) must be conducted according to the procedures under 34 CFR 99.22.

**281—120.414(34CFR303) Consent prior to disclosure or use.**

**120.414(1) General.** Except as provided in subrule 120.414(2), prior parental consent must be obtained before personally identifiable information is--

a. Disclosed to anyone other than authorized representatives, officials, or employees of participating agencies collecting, maintaining, or using the information under this chapter, subject to subrule 120.414(2); or

b. Used for any purpose other than meeting a requirement of this chapter.

**120.414(2) Exceptions.** The Department or other participating agency may not disclose personally identifiable information, as defined in rule 281—120.29(34CFR303), to any party except participating agencies (including the Department and EIS providers) that are part of the state’s Part C system without parental consent unless authorized to do so under--

a. Subrules 120.401(1) and 120.209(2); or

b. One of the exceptions enumerated in 34 CFR 99.31 (where applicable to Part C), which are expressly adopted to apply to Part C through this reference. In applying the exceptions in 34 CFR 99.31 to this chapter, participating agencies must also comply with the pertinent conditions in 34 CFR 99.32, 99.33, 99.34, 99.35, 99.36, 99.38, and 99.39; in applying these provisions in 34 CFR part 99 to Part C, the reference to--

(1) 34 CFR 99.30 means subrule 120.414(1);

(2) “Education records” means early intervention records under §303.403(b);

(3) “Educational” means early intervention under this chapter;

(4) “Educational agency or institution” means the participating agency under subrule 120.404(3);

(6) “State and local educational authorities” means the Department and EIS providers and grantees; and

(7) “Student” means child under this chapter.

**120.414(3) Policies and procedures regarding refusal to provide consent.** The Department must provide policies and procedures to be used when a parent refuses to provide consent under this rule (such as a meeting to explain to parents how their failure to consent affects the ability of their child to receive services under this chapter), provided that those procedures do not override a parent’s right to refuse consent under rule 281—120.420(34CFR303).

**281—120.415(34CFR303) Safeguards.** Each participating agency must protect the confidentiality of personally identifiable information at the collection, maintenance, use, storage, disclosure, and destruction stages. One official at each participating agency must assume responsibility for ensuring the confidentiality of any personally identifiable information. All persons collecting or using personally identifiable information must receive training or instruction regarding the state’s policies and procedures under rule 281—120.401(34CFR303) through rule 281—120.417(34CFR303) and 34 CFR part 99.

Each participating agency must maintain, for public inspection, a current listing of the names and positions of those employees within the agency who may have access to personally identifiable information.

**281—120.416 (34CFR303) Destruction of information.**

**120.416(1) *Notification to parent.*** The participating agency must inform parents when personally identifiable information collected, maintained, or used under this chapter is no longer needed to provide services to the child under Part C of the Act, the GEPA provisions in 20 U.S.C. 1232f, and EDGAR, 34 CFR parts 76 and 80.

**120.416(2) *Mandatory and permissive destruction of personally identifiable information.*** Subject to subrule 120.416(1), the information must be destroyed at the request of the parents. However, a permanent record of a child's name, date of birth, parent contact information (including address and phone number), names of service coordinator(s) and EIS provider(s), and exit data (including year and age upon exit, and any programs entered into upon exiting) may be maintained without time limitation.

**120.416(3) *Rule of construction – no longer needed to provide services to the child.*** For purposes of this rule, “no longer needed to provide services” means that a record is no longer relevant to the provision of Early ACCESS services and it is no longer needed for accountability and audit purposes. At a minimum, a record needed for accountability and audit purposes must be retained for five years after completion of the activity for which funds were used.

**281—120.417(34CFR303) Enforcement.** The Department must have in effect the policies and procedures, including sanctions and the right to file a complaint under rule 281—120.432(34CFR303) through rule 281—120.434(34CFR303), that the Department uses to ensure that its policies and procedures, consistent with rule 281—120.401(34CFR303) through rule 281—120.417(34CFR303), are followed and that the requirements of the Act and the rules in this chapter are met.

**281—120.418 to 120.419 Reserved.**

**281—120.420(34CFR303) Parental consent and ability to decline services.**

**120.420(1) *General.*** The relevant agency must ensure parental consent is obtained before--

*a.* Administering screening procedures under rule 281—120.320(34CFR303) that are used to determine whether a child is suspected of having a disability;

*b.* All evaluations and assessments of a child are conducted under rule 281—120.321(34CFR303);

*c.* Early intervention services are provided to the child under this chapter;

*d.* Public benefits or insurance or private insurance is used if such consent is required under rule 281—120.520(34CFR303); and

*e.* Disclosure of personally identifiable information consistent with rule 281—120.414(34CFR303).

**120.420(2) *Parent refusal to consent.*** If a parent does not give consent under paragraphs “a”, “b”, or “c” of subrule 120.420(1), the agency must make reasonable efforts to ensure that the parent--

a. Is fully aware of the nature of the evaluation and assessment of the child or early intervention services that would be available; and

b. Understands that the child will not be able to receive the evaluation, assessment, or early intervention service unless consent is given.

**120.420(3) *Due process procedures unavailable.*** The agency may not use the due process hearing procedures under this chapter to challenge a parent's refusal to provide any consent that is required under subrule 120.420(1).

**120.420(4) *Parent rights.*** The parents of an infant or toddler with a disability--

a. Determine whether they, their infant or toddler with a disability, or other family members will accept or decline any Early ACCESS service under this chapter at any time, in accordance with state law; and

b. May decline a service after first accepting it, without jeopardizing other early intervention services under this chapter.

**281—120.421(34CFR303) *Prior written notice and procedural safeguards notice.***

**120.421(1) *General.*** Prior written notice must be provided to parents a reasonable time before an agency or an EIS provider proposes, or refuses, to initiate or change the identification, evaluation, or placement of their infant or toddler, or the provision of early intervention services to the infant or toddler with a disability and that infant's or toddler's family.

**120.421(2) *Content of notice.*** The notice must be in sufficient detail to inform parents about--

a. The action that is being proposed or refused;

b. The reasons for taking the action; and

c. All procedural safeguards that are available under this chapter, including a description of mediation in rule 281—120.431(34CFR303), how to file a state complaint in rule 281—120.432(34CFR303) through rule 281—120.434(34CFR303) and a due process complaint in the provisions adopted under subrule 120.430(4), and any timelines under those procedures.

**120.421(3) *Native language.***

a. The notice must be--

(1) Written in language understandable to the general public; and

(2) Provided in the native language, as defined in rule 281—120.25(34CFR303), of the parent or other mode of communication used by the parent, unless it is clearly not feasible to do so.

b. If the native language or other mode of communication of the parent is not a written language, the public agency or designated EIS provider must take steps to ensure that--

(1) The notice is translated orally or by other means to the parent in the parent's native language or other mode of communication;

(2) The parent understands the notice; and

(3) There is written evidence that the requirements of this subrule have been met.

**281—120.422(34CFR303) *Surrogate parents.***

**120.422(1) *General.*** The Department or other public agency must ensure that the rights of a child are protected when--

- a. No parent (as defined in rule 281—120.27(34CFR303)) can be identified;
- b. The Department or AEA, after reasonable efforts, cannot locate a parent; or
- c. The child is a ward of the state under the laws of the state.

**120.422(2) *Duty of other public agencies.***

a. The duty of the AEA under subrule 120.422(1) includes the assignment of an individual to act as a surrogate for the parent. This assignment process must include a method for--

- (1) Determining whether a child needs a surrogate parent; and
- (2) Assigning a surrogate parent to the child.

b. In implementing the provisions under this rule for children who are wards of the state or placed in foster care, the agency must consult with the public agency that has been assigned care of the child.

**120.422(3) *Wards of the state.*** In the case of a child who is a ward of the state, the surrogate parent, instead of being appointed by the AEA under subrule 120.422(2), may be appointed by the judge presiding over the infant or toddler's case provided that the surrogate parent meets the requirements in subrules 120.422(4) and 120.422(5).

**120.422(4) *Criteria for selection of surrogate parents.***

a. The AEA may select a surrogate parent in any way permitted under state law.

(2) Has no personal or professional interest that conflicts with the interest of the child he or she represents; and

(3) Has knowledge and skills that ensure adequate representation of the child.

**120.422(5) *Non-employee requirement; compensation.*** A person who is otherwise qualified to be a surrogate parent under subrule 120.422(4) is not an employee of the agency solely because he or she is paid by the agency to serve as a surrogate parent.

**120.422(6) *Surrogate parent responsibilities.*** The surrogate parent has the same rights as a parent for all purposes under this chapter.

**120.422(7) *Department responsibility.*** The Department must make reasonable efforts to ensure the assignment of a surrogate parent not more than 30 days after a public agency determines that the child needs a surrogate parent.

**281—120.423 to 120.429 Reserved.**

**281—120.430(34CFR303) State dispute resolution options.**

**120.430(1) *General.*** Each statewide system must include written procedures for the timely administrative resolution of complaints through mediation, state complaint procedures, and due process hearing procedures, described in subrules 120.430(2) through 120.430(5).

The Department adopts the Part C due process hearing procedures under section 639 of the Act.

**120.430(5) Status of a child during the pendency of a due process complaint.** During the pendency of any proceeding involving a due process complaint under subrule 120.430(4), unless the agency and parents of an infant or toddler with a disability otherwise agree, the child must continue to receive the appropriate early intervention services in the setting identified in the IFSP that is consented to by the parents. If the due process complaint under subrule 120.430(4) of this section involves an application for initial services under Part C of the Act, the child must receive those services that are not in dispute.

**120.430(6) Status of a child during the pendency of mediation.** During the pendency of any request for mediation under subrule 120.430(2) and for ten days after any such mediation conference at which no agreement is reached, unless the agency and the parents of the child agree otherwise, the child involved in any such mediation conference must continue to receive the appropriate early intervention services identified in the IFSP that is consented to by the parents. If the mediation involves an application for initial services under Part C of the Act, the child must receive those services that are not in dispute.

### **281—120.431(34CFR303) Mediation.**

**120.431(1) General.** The Department must ensure that procedures are established and implemented to allow parties to disputes involving any matter under this chapter, including matters arising prior to the filing of a due process complaint, to resolve disputes through a mediation process at any time.

**120.431(2) Requirements.** The procedures must meet the following requirements:

a. The procedures must ensure that the mediation process--

- (1) Is voluntary on the part of the parties;

- (3) Is conducted by a qualified and impartial mediator who is trained in effective mediation techniques.

b. The Department must maintain a list of individuals who are qualified mediators and knowledgeable in laws and regulations relating to the provision of early intervention services. The Department must select mediators on a random, rotational, or other impartial basis.

c. The Department must bear the cost of the mediation process, including the costs of meetings described in subrule 120.431(4).

d. Each session in the mediation process must be scheduled in a timely manner and must be held in a location that is convenient to the parties to the dispute.

e. If the parties resolve a dispute through the mediation process, the parties must execute a legally binding agreement that sets forth that resolution and that--

(1) States that all discussions that occurred during the mediation process will remain confidential and may not be used as evidence in any subsequent due process hearing or civil proceeding; and

(2) Is signed by both the parent and a representative of the lead agency who has the authority to bind such agency.

f. A written, signed mediation agreement under this paragraph is enforceable in any state court of competent jurisdiction or in a district court of the United States.

g. Discussions that occur during the mediation process must be confidential and may not be used as evidence in any subsequent due process hearing or civil proceeding of any federal court or state court of a state receiving assistance under this chapter.

**120.431(4) *Meeting to encourage mediation.*** The Department may establish procedures to offer to parents and EIS providers that choose not to use the mediation process, an opportunity to meet, at a time and location convenient to the parents, with a disinterested party--

a. Who is under contract with an appropriate alternative dispute resolution entity, or a parent training and information center or community parent resource center in the state established under section 671 or 672 of the Act; and

b. Who would explain the benefits of, and encourage the use of, the mediation process to the parents.

**281—120.432(34CFR303) Adoption of state complaint procedures.**

**120.432(1) *General.*** The Department must adopt written procedures for--

a. Resolving any complaint, including a complaint filed by an organization or individual from another state, that meets the requirements in rule 281—120.434(34CFR303) by providing for the filing of a complaint with the Department; and

b. Widely disseminating to parents and other interested individuals, including parent training and information centers, protection and advocacy agencies, and other appropriate entities, the procedures under rule 281—120.432(34CFR303) through rule 281—120.434(34CFR303).

**120.432(2) *Remedies for denial of appropriate services.*** In resolving a complaint in which the Department has found a failure to provide appropriate services, the Department, pursuant to its general supervisory authority under Part C of the Act, must address--

subject of the complaint and the infant's or toddler's family (such as compensatory services or monetary reimbursement); and

*b.* Appropriate future provision of services for all infants and toddlers with disabilities and their families.

**281—120.433(34CFR303) Minimum state complaint procedures.**

*a.* Carry out an independent on-site investigation, if the Department determines that an investigation is necessary;

*b.* Give the complainant the opportunity to submit additional information, either orally or in writing, about the allegations in the complaint;

*c.* Provide the agency or EIS provider named in the complaint with an opportunity to respond to the complaint, including, at a minimum--

(1) At the discretion of the Department, a proposal to resolve the complaint; and

(2) An opportunity for a parent who has filed a complaint and the lead agency, public agency, or EIS provider to voluntarily engage in mediation, consistent with subrule 120.430(2) and rule 281—120.431(34CFR303);

*d.* Review all relevant information and make an independent determination as to whether the agency or EIS provider named in the complaint is violating a requirement of Part C of the Act or of this chapter; and

*b.* Include procedures for effective implementation of the Department's final decision, if needed, including--

(1) Technical assistance activities;

(2) Negotiations; and

(3) Corrective actions to achieve compliance.

**120.433(3) *Complaints filed under this section and due process hearings under subrule 120.430(4).*** If a written complaint is received that is also the subject of a due process hearing under subrule 120.430(4), or contains multiple issues of which one or more are part of that hearing, the Department must set aside any part of the complaint that is being addressed in the due process hearing until the conclusion of the hearing. However, any issue in the complaint that is not a part of the due process hearing must be resolved using the time limit and procedures described in subrules 120.433(1) and

120.433(2). If an issue raised in a complaint filed under this rule has previously been decided in a due process hearing involving the same parties, the due process hearing decision is binding on that issue and the Department must inform the complainant to that effect. A complaint alleging the Department, other public agency, or EIS provider's failure to implement a due process hearing decision must be resolved by the Department.

**281—120.434(34CFR303) Filing a complaint.**

**120.434(1) *Complainant.*** An organization or individual may file a signed written complaint under the procedures described in rule 281—120.432(34CFR303) and rule 281—120.434(34CFR303).

If the complaint is substantiated, the Department will grant appropriate relief.

**281—120.435(34CFR303) Appointment of an administrative law judge.**

(2) Does not have a personal or professional interest that would conflict with his or her objectivity in implementing the process.

b. A person who otherwise qualifies under this subrule is not an employee of an agency solely because the person is paid by the agency to implement the due process hearing procedures or mediation procedures under this chapter.

**281—120.436(34CFR303) Parental rights in due process hearing proceedings.**

**120.436(1) General.** The Department must ensure that the parents of a child referred to Part C are afforded the rights in subrule 120.436(2) in the due process hearing carried out under subrule 120.430(4).

**281—120.437(34CFR303) Convenience of hearings and timelines.**

**120.437(1) Time and place.** Any due process hearing conducted under this chapter must be carried out at a time and place that is reasonably convenient to the parents.

**120.437(2) Timeline for ALJ decision.** The Department must ensure that, not later than 30 days after the receipt of a parent's due process complaint, the due process hearing required under this chapter is completed and a written decision mailed to each of the parties.

**120.437(3) Extension of ALJ timeline.** An ALJ may grant specific extensions of time beyond the period set out in subrule 120.437(2) at the request of either party.

**281—120.438(34CFR303) Civil action.** Any party aggrieved by the findings and decision issued pursuant to a due process complaint has the right to bring a civil action in state or federal court under section 639(a)(1) of the Act.

**281—120.439(34CFR303) Limitation of actions.**

**120.439(1) Limitation: due process complaints.** A parent, agency, or EIS provider must request an impartial hearing on the due process complaint within two years of the date the parent, agency, or provider knew or should have known about the alleged action that forms the basis of the due process complaint.

**120.439(2) Exceptions to timeline.** The timeline described in subrule 120.439(1) does not apply to a parent if the parent was prevented from filing a due process complaint due to either of the following:

*a.* Specific misrepresentations by an agency or EIS provider that it had resolved the problem forming the basis of the due process complaint; or

*b.* The agency's or EIS provider's withholding of information from the parent that was required under this chapter to be provided to the parent.

**120.439(3) Limitation: civil action.** The party bringing the civil action under rule 281—120.438(34CFR303) shall have 90 days from the date of the decision of the administrative law judge to file a civil action.

**281—120.440(34CFR303) Rule of construction.** Nothing in this chapter restricts or limits the rights, procedures, and remedies available under the Constitution, the Americans with Disabilities Act of 1990, title V of the Rehabilitation Act of 1973, or other federal laws protecting the rights of children with disabilities, except that before the filing of a civil action under these laws seeking relief that is also available under section 639 of the Act, the procedures under this chapter must be exhausted to the same extent as would be required had the action been brought under section 639 of the Act.

**281—120.442(34CFR303) Attorney fees.** Reasonable attorney fees are available to prevailing party (parent or, in certain circumstances, public agency or EIS provider) in a due process hearing or a mediation conference to the extent those fees are available under the Act. No fees are available under the state complaint procedure in subrule 120.430(3).

**281—120.443 to 120.448 Reserved.**

**281—120.449(34CFR303) State enforcement mechanisms.** Notwithstanding subrule 281—120.431(2), which provides for judicial enforcement of a written agreement reached as a result of a mediation, there is nothing in this chapter that would prevent the state from using other mechanisms to seek enforcement of that agreement, provided that use of those mechanisms is not mandatory and does not delay or deny a party the right to seek enforcement of the written agreement in a state court or competent jurisdiction or in a district court of the United States.

**281—120.450 to 281—120.499 Reserved.**

**DIVISION VII**  
**USE OF FUNDS; PAYOR OF LAST RESORT**

**281—120.500(34CFR303) Use of funds, payor of last resort, and system of payments.**

**120.500(1) *Statewide system.*** Each statewide system must include written policies and procedures that meet the requirements of the--

- a.* Use of funds provisions in rule 281—120.501(34CFR303); and
- b.* Payor of last resort provisions in rule 281—120.510(34CFR303) through rule 281—120.521(34CFR303) (regarding the identification and coordination of funding resources for, and the provision of, early intervention services under Part C of the Act within the state).

**120.500(2) *System of Payments.*** The state may establish, consistent with subrule 281—120.13(1) and 281—120.203(2), a system of payments for early intervention services under Part C of the Act, including a schedule of sliding fees or cost participation fees (such as co-payments, premiums, or deductibles) required to be paid under federal, state, local, or private programs of insurance or benefits for which the infant or toddler with a disability or the child's family is enrolled, that meets the requirements of rule 281—120.520(34CFR303) and rule 281—120.521(34CFR303).

**281—120.501(34CFR303) Permissive use of funds by the Department.**

Consistent with rule 281—120.120(34CFR303) through rule 281—120.122(34CFR303) rule 281—120.220(34CFR303) through rule 281—120.226(34CFR303), the Department may use funds under this chapter for activities or expenses that are reasonable and necessary for implementing the state's early intervention program for infants and toddlers with disabilities including funds--

1. For direct early intervention services for infants and toddlers with disabilities and their families under this chapter that are not otherwise funded through other public or private sources (subject to §§303.510 through 303.521);
2. To expand and improve services for infants and toddlers with disabilities and their families under this chapter that are otherwise available; and
3. In any state that does not provide services under 34 CFR 303.204 for at-risk infants and toddlers, as defined in rule 281—120.5(34CFR303), to strengthen the statewide system by initiating, expanding, or improving collaborative efforts related to at-risk infants and toddlers, including establishing linkages with appropriate public and private community-based organizations, services, and personnel for the purposes of--
  - (1) Identifying and evaluating at-risk infants and toddlers;
  - (2) Making referrals for the infants and toddlers identified and evaluated under the preceding subparagraph; and
  - (3) Conducting periodic follow-up on each referral, to determine if the status of the infant or toddler involved has changed with respect to the eligibility of the infant or toddler for services under this chapter.

**281—120.502 to 120.509 Reserved.**

**281—120.510(34CFR303) Payor of last resort.**

**120.510(1) *Nonsubstitution of funds.*** Except as provided in subrule 120.510(2), funds under this chapter may not be used to satisfy a financial commitment for services that would otherwise have been paid for from another public or private source, including any medical program administered by the Department of Defense, but for the enactment of Part C of the Act. Therefore, funds under this chapter may be used only for early intervention services that an infant or toddler with a disability needs but is not currently entitled to receive or have payment made from any other federal, state, local, or private source (subject to rules 281—120.520(34CFR303) and 281—120.521(34CFR303)).

**120.510(2) *Interim payments--reimbursement.*** If necessary to prevent a delay in the timely provision of appropriate early intervention services to a child or the child's family, funds under Part C of the Act may be used to pay the provider of services (for services and functions authorized under this chapter, including health services, as defined in rule 281—120.16(34CFR303) (but not medical services); functions of the child find system described in rules 281—120.115(34CFR303) through 281—120.117 (34CFR303) and rules 281—120.301(34CFR303)§§303.301 through rule 281—120.320(34CFR303); and evaluations and assessments in rule 281—120.321(34CFR303)), pending reimbursement from the agency or entity that has ultimate responsibility for the payment.

**120.510(3) *Non-reduction of benefits.*** Nothing in this chapter may be construed to permit a state to reduce medical or other assistance available in the state or to alter eligibility under Title V of the Social Security Act, 42 U.S.C. 701 *et seq.* (SSA) (relating to maternal and child health) or Title XIX of the SSA, 42 U.S.C. 1396 (relating to Medicaid), including section 1903(a) of the SSA regarding medical assistance for services furnished to an infant or toddler with a disability when those services are included in the child's IFSP adopted pursuant to Part C of the Act.

**281—120.511(34CFR303) Methods to ensure the provision of, and financial responsibility for, Early ACCESS services.**

**120.511(1) *General.*** The state must ensure that it has in place methods for interagency coordination. Under these methods, the Governor must ensure that the interagency agreement or other method for interagency coordination is in effect between the Department and each signatory agency in order to ensure--

*a.* The provision of, and establishing financial responsibility for, early intervention services provided under this chapter; and

*b.* Such services are consistent with the requirement in section 635 of the Act and the state's application under section 637 of the Act, including the provision of such services during the pendency of any dispute between state agencies.

**120.511(2) *Methods.*** The methods in subrule 120.511(1) must meet all requirements in this rule and be set forth in one of the following:

*a.* State law or regulation;

*b.* Signed interagency and intra-agency agreements between respective agency officials that clearly identify the financial and service provision responsibilities of each agency (or entity within the agency); or

c. Other appropriate written methods determined by the Governor of the state, or the Governor's designee, and approved by the Secretary through the review and approval of the state's application.

**120.511(3) *Procedures for resolving disputes.***

a. Each method must include procedures for achieving a timely resolution of intra-agency and interagency disputes about payments for a given service, or disputes about other matters related to the state's early intervention service program. Those procedures must include a mechanism for resolution of disputes within agencies and for the Governor, Governor's designee, or the Department to make a final determination for interagency disputes, which determination must be binding upon the agencies involved.

b. The method must--

(1) Permit the agency to resolve its own internal disputes (based on the agency's procedures that are included in the agreement), so long as the agency acts in a timely manner; and

(2) Include the process that the Department will follow in achieving resolution of intra-agency disputes, if a given agency is unable to resolve its own internal disputes in a timely manner.

c. If, during the Department's resolution of the dispute, the Governor, Governor's designee, or lead agency determines that the assignment of financial responsibility under this rule was inappropriately made--

(1) The Governor, Governor's designee, or Department must reassign the financial responsibility to the appropriate agency; and

(2) The Department must make arrangements for reimbursement of any expenditures incurred by the agency originally assigned financial responsibility.

**120.511(4) *Delivery of services in a timely manner.*** The methods adopted by the state under this rule must--

a. Include a mechanism to ensure that no services that a child is entitled to receive under this chapter are delayed or denied because of disputes between agencies regarding financial or other responsibilities; and

b. Be consistent with the written funding policies adopted by the state under this division and include any provisions the state has adopted under 281—120.520(34CFR303) regarding the use of insurance to pay for Part C services.

**120.511(5) *Additional components.*** Each method must include any additional components necessary to ensure effective cooperation and coordination among, and the Department's general supervision (including monitoring) of, EIS providers (including all public agencies) involved in the state's early intervention service programs.

**281—120.512 to 120.519 Reserved.**

**281—120.520(34CFR303) Policies related to use of public benefits or insurance or private insurance to pay for Early ACCESS services.**

**120.520(1) *Use of public benefits or public insurance to pay for Part C services.***

a. The state may not use the public benefits or insurance of a child or parent to pay for Part C services unless the state provides written notification, consistent with paragraph "c" of this subrule, to the child's parents, and the state meets the no-cost protections identified in paragraph "b" of this subrule.

b. With regard to using the public benefits or insurance of a child or parent to pay for Part C services, the state--

(1) May not require a parent to sign up for or enroll in public benefits or insurance programs as a condition of receiving Part C services and must obtain consent prior to using the public benefits or insurance of a child or parent if that child or parent is not already enrolled in such a program;

(2) Must obtain consent, consistent with rule 281—120.7(34CFR303) and subrule 120.420(1), to use a child's or parent's public benefits or insurance to pay for Part C services if that use would--

1. Decrease available lifetime coverage or any other insured benefit for that child or parent under that program;

2. Result in the child's parents paying for services that would otherwise be covered by the public benefits or insurance program;

3. Result in any increase in premiums or discontinuation of public benefits or insurance for that child or that child's parents; or

4. Risk loss of eligibility for the child or that child's parents for home and community-based waivers based on aggregate health-related expenditures.

(3) If the parent does not provide consent under this paragraph of this subrule, the state must still make available those Part C services on the IFSP to which the parent has provided consent.

c. Prior to using a child's or parent's public benefits or insurance to pay for Part C services, the state must provide written notification to the child's parents. The notification must include--

(1) A statement that parental consent must be obtained under rule 281—120.414(34CFR303), if that provision applies, before the Department or EIS provider discloses, for billing purposes, a child's personally identifiable information to the state public agency responsible for the administration of the state's public benefits or insurance program (e.g., Medicaid);

(2) A statement of the no-cost protection provisions in subrule 120.520(1) and that if the parent does not provide the consent under that subrule, the agency must still make available those Part C services on the IFSP for which the parent has provided consent;

(3) A statement that the parents have the right under rule 281—120.414(34CFR303), if that provision applies, to withdraw their consent to disclosure of personally identifiable information to the state public agency responsible for the administration of the state's public benefits or insurance program (e.g., Medicaid) at any time; and

(4) A statement of the general categories of costs that the parent would incur as a result of participating in a public benefits or insurance program (such as co-payments or deductibles, or the required use of private insurance as the primary insurance).

d. If a state requires a parent to pay any costs that the parent would incur as a result of the state's using a child's or parent's public benefits or insurance to pay for Part C services (such as co-payments or deductibles, or the required use of private insurance as the primary insurance), those costs must be identified in the state's system of payments policies under rule 281—120.521(34CFR303) and included in the notification provided

to the parent under paragraph “c” of this subrule; otherwise, the state cannot charge those costs to the parent.

**120.520(2)** *Use of private insurance to pay for Part C services.*

a. The state may not use the private insurance of a parent of an infant or toddler with a disability to pay for Part C services unless the parent provides parental consent, consistent with rule 281—120.7(34CFR303) and subrule 120.420(1), to use private insurance to pay for Part C services for his or her child or the state meets one of the exceptions in paragraph (b)(2) of this section.

b. This includes the use of private insurance when such use is a prerequisite for the use of public benefits or insurance. Parental consent must be obtained--

(1) When an agency or EIS provider seeks to use the parent’s private insurance or benefits to pay for the initial provision of an early intervention service in the IFSP; and

(2) Each time consent for services is required under subrule 120.420(1) due to an increase (in frequency, length, duration, or intensity) in the provision of services in the child’s IFSP.

c. If a state requires a parent to pay any costs that the parent would incur as a result of the state’s use of private insurance to pay for early intervention services (such as co-payments, premiums, or deductibles), those costs must be identified in the state’s system of payments policies under rule 281—120.521(34CFR303); otherwise, the state may not charge those costs to the parent

d. When obtaining parental consent required under paragraphs “a” and “b” of this subrule or initially using benefits under a child or parent’s private insurance policy to pay for an early intervention service under paragraph “e” of this subrule, the state must provide to the parent a copy of the state’s system of payments policies that identifies the potential costs that the parent may incur when their private insurance is used to pay for early intervention services under this chapter (such as co-payments, premiums, or deductibles or other long-term costs such as the loss of benefits because of annual or lifetime health insurance coverage caps under the insurance policy).

e. The parental consent requirements in paragraph “a” through “d” of this subrule do not apply if the state has enacted a state statute regarding private health insurance coverage for early intervention services under Part C of the Act, that expressly provides that --

(1) The use of private health insurance to pay for Part C services cannot count towards or result in a loss of benefits due to the annual or lifetime health insurance coverage caps for the infant or toddler with a disability, the parent, or the child’s family members who are covered under that health insurance policy;

(2) The use of private health insurance to pay for Part C services cannot negatively affect the availability of health insurance to the infant or toddler with a disability, the parent, or the child’s family members who are covered under that health insurance policy, and health insurance coverage may not be discontinued for these individuals due to the use of the health insurance to pay for services under Part C of the Act; and

(3) The use of private health insurance to pay for Part C services cannot be the basis for increasing the health insurance premiums of the infant or toddler with a disability, the parent, or the child’s family members covered under that health insurance policy.

f. If the state has enacted a state statute that meets the requirements in paragraph “e” of this subrule, regarding the use of private health insurance coverage to pay for early intervention services under Part C of the Act, the state may reestablish a new baseline of state and local expenditures under subrule 120.225(2) in the next federal fiscal year following the effective date of the statute.

**120.520(3) *Inability to pay.*** If a parent or family of an infant or toddler with a disability is determined unable to pay under the state’s definition of inability to pay under subrule 120.521(1) and does not provide consent under paragraphs “a” and “b” of subrule 120.520(3), the lack of consent may not be used to delay or deny any services under this chapter to that child or family.

**120.520(4) *Proceeds or funds from public insurance or benefits or from private insurance.***

a. Proceeds or funds from public insurance or benefits or from private insurance are not treated as program income for purposes of 34 CFR 80.25.

b. If the state receives reimbursements from federal funds (e.g., Medicaid reimbursements attributable directly to federal funds) for services under Part C of the Act, those funds are considered neither state nor local funds under subrule 120.225(2).

c. If the state spends funds from private insurance for services under this chapter, those funds are considered neither state nor local funds under rule 281—120.225(34CFR303).

**120.520(5) *Funds received from a parent or family member under the state’s system of payments.*** Funds received by the state from a parent or family member under the state’s system of payments established under rule 281—120.521(34CFR303) are considered program income under 34 CFR 80.25. These funds--

1. Are not deducted from the total allowable costs charged under Part C of the Act (as set forth in 34 CFR 80.25(g)(1));

2. Must be used for the state’s Part C early intervention services program, consistent with 34 CFR 80.25(g)(2); and

3. Are considered neither state nor local funds under subrule 120.225(2).

### **281—120.521(34CFR303) System of payments and fees.**

**120.521(1) *General.*** If a state elects to adopt a system of payments in subrule 120.500(2), the state’s system of payments policies must be in writing and specify which functions or services, if any, are subject to the system of payments (including any fees charged to the family as a result of using one or more of the family’s public insurance or benefits or private insurance), and include--

a. The payment system and schedule of sliding or cost participation fees that may be charged to the parent for early intervention services under this chapter;

b. The basis and amount of payments or fees;

c. The state’s definition of ability to pay (including its definition of income and family expenses, such as extraordinary medical expenses), its definition of inability to pay, and when and how the state makes its determination of the ability or inability to pay;

d. An assurance that--

(1) Fees will not be charged to parents for the services that a child is otherwise entitled to receive at no cost (including those services identified under this subrule and subrules 120.521(2) and 120.521(3));

(2) The inability of the parents of an infant or toddler with a disability to pay for services will not result in a delay or denial of services under this chapter to the child or the child's family such that, if the parent or family meets the state's definition of inability to pay, the infant or toddler with a disability must be provided all Part C services at no cost;

(3) Families will not be charged any more than the actual cost of the Part C service (factoring in any amount received from other sources for payment for that service); and rule 281—120.414(34CFR303); and

(4) Families with public insurance or benefits or private insurance will not be charged disproportionately more than families who do not have public insurance or benefits or private insurance;

*e.* Provisions stating that the failure to provide the requisite income information and documentation may result in a charge of a fee on the fee schedule and specify the fee to be charged; and

*f.* Provisions that permit, but do not require, the lead agency to use Part C or other funds to pay for costs such as the premiums, deductibles, or co-payments.

**120.521(2) *Functions not subject to fees.*** The following are required functions that must be carried out at public expense, and for which no fees may be charged to parents:

*a.* Implementing the child find requirements in rule 281—120.301(34CFR303) through rule 281—120.303(34CFR303).

*b.* Evaluation and assessment, in accordance with rule 281—120.320(34CFR303), and the functions related to evaluation and assessment in subrule 120.13(2).

*c.* Service coordination services, as defined in subrule 120.13(2) and rule 281—120.33(34CFR303).

*d.* Administrative and coordinative activities related to--

(1) The development, review, and evaluation of IFSPs and interim IFSPs in accordance with rule 281—120.342(34CFR303) through rule 281—120.345(34CFR303); and

(2) Implementation of the procedural safeguards in division VI of this chapter and the other components of the statewide system of early intervention services in division V of this chapter and this division.

**120.521(3) *FAPE mandates, or that use funds under Part B of the Act to serve children under age three.*** If the state has in effect a state law requiring the provision of FAPE for, or uses Part B funds to serve, an infant or toddler with a disability under the age of three (or any subset of infants and toddlers with disabilities under the age of three), the state may not charge the parents of the infant or toddler with a disability for any services (e.g., physical or occupational therapy) under chapter that are part of FAPE for that infant or toddler and the child's family, and those FAPE services must meet the requirements of both Parts B and C of the Act.

**120.521(4) *Family fees.***

*a.* Fees or costs collected from a parent or the child's family to pay for early intervention services under the state's system of payments are program income under 34 CFR 80.25. The state may add this program income to its Part C grant funds, rather than

deducting the program income from the amount of the state's Part C grant. Any fees collected must be used for the purposes of the grant under Part C of the Act.

*b.* Fees collected under a system of payments are considered neither state nor local funds under subrule 120.225(2).

**120.521(5) Procedural Safeguards.**

*a.* The state's system of payments must include written policies to inform parents that a parent who wishes to contest the imposition of a fee, or the state's determination of the parent's ability to pay, may do one of the following:

(1) Participate in mediation in accordance with rule 281—120.431(34CFR303).

(2) Request a due process hearing under rule 281—120.436(34CFR303).

(3) File a state complaint under rule 281—120.434(34CFR303).

(4) Use any other procedure established by the state for speedy resolution of financial claims, provided that such use does not delay or deny the parent's procedural rights under this chapter, including the right to pursue, in a timely manner, the redress options described in this subrule.

*b.* The state must inform parents of these procedural safeguard options by either--

(1) Providing parents with a copy of the state's system of payments policies when obtaining consent for provision of early intervention services under subrule 120.420(1); or

(2) Including this information with the notice provided to parents under rule 281—120.421(34CFR303).

**281—120.522 to 120.599 Reserved.**

## **DIVISION VIII**

### **STATE INTERAGENCY COORDINATING COUNCIL**

**281—120.600(34CFR303) Establishment of Council.**

**120.600(1) General.** The state establishes a state interagency coordinating council (Council), as defined in rule 281—120.8(34CFR303).

**120.600(2) Appointment.** The Council must be appointed by the Governor. The Governor must ensure that the membership of the Council reasonably represents the population of the state.

**120.600(3) Chairperson.** The Governor must designate a member of the Council to serve as the chairperson of the Council or delegate that responsibility to the members of the Council. Any member of the Council who is a representative of the lead agency designated under rule 281—120.201(34CFR303) may not serve as the chairperson of the Council.

**120.601(3)** *Additional members permitted.* The Council may include other members selected by the Governor, including a representative from the Bureau of Indian Education (BIE) or, where there is no school operated or funded by the BIE in the state, from the Indian Health Service or the tribe or tribal council.
