

## 21-22 Universal Preschool Desk Audit: Evidence of IQPPS Implementation

### Purpose

The purpose of the desk audit is to provide a process for the continued accreditation of schools and school districts. Accreditation monitoring requires a comprehensive desk audit of all accredited schools and school districts. Iowa Code 256.11(10)(a)(1)

### Requirements

Districts are required to provide evidence of implementation of the Iowa Quality Preschool Program Standards (IQPPS) as listed below based on requirements to implement program standards as indicated in Iowa Code 256C.3(3)b, IAC 281—16.3, and 281—41.17 (256B, 34CFR300).

Districts are responsible for ensuring quality and equitable learning experiences for students and families regardless of the preschool program location including community partner locations. Districts offering preschool programming and/or Early Childhood Special Education complete the Universal Desk Audit for programming provided in district and community partner locations as evidence of compliance with state and federal legal requirements. Iowa Code 256C, 281—IAC Chapter 16, 281—IAC Chapter 41

### Submission and Deadline

Universal Preschool Desk Audit will be submitted in the [Consolidated Accountability and Support Application \(CASA\)](#) which is available through the [education portal](#). Submissions are due by December 15, 2021.

### Guidelines

Evidence at a district level is needed; classroom level evidence will not be accepted. The evidence should represent a process of how the district ensures the program standards are implemented across all classrooms, including in community partner sites. Evidence should address variations across preschool program locations. Evidence must reflect a completed practice occurring within the past year.
