

AEA Chair/Liaison from the Department of Education and Meeting Dates

Each of the nine area education agencies (AEAs) facilitates monthly (September to May) meetings for all superintendents of the public school districts served by an individual AEA. Listed below are the chairs of those groups.

The monthly meetings (September to May) provide opportunities for the superintendents to discuss common issues, share ideas and solutions, provide guidance and advice to the AEA administrator regarding needed services, and hear and discuss presentations on various educational matters. A Department of Education liaison is present at each superintendents' meeting to share communications from the Department.
