

State of Iowa
Fall & Winter Assessment Windows
English Language Arts (ELA) Individual Student Test Blueprint
2017-2018

In this document, the term “blueprint” refers to the required tested Essential Elements (EEs) and coverage within each conceptual area of the DLM Alternate Assessment. **Each EE is tested one time only during the Fall and Winter Assessment Windows.** Teachers are required to use the State of Iowa Test Blueprints and maintain the test blueprint in the student’s cumulative folder.

The DLM English Language Arts Alternate Assessment includes three assessment windows-Fall, Winter, and Spring. **During the instructionally embedded Fall and Winter Assessments Windows, teachers are required to use the State of Iowa’s DLM ELA Individual Student Test Blueprint document to identify EEs required at each grade level and record these EEs within DLM KITE Educator Portal Instructional Tools Interface (ITI) as instructional plans.** Teachers choose which EEs to instruct and assess during the Fall and Winter assessment window. **EEs with a * are the EEs that are required by the State of Iowa.** Writing is required at every grade level. Other EEs may be selected as additional assessments.

During the Spring Assessment Window, teachers do not record EEs or create instructional plans in ITI. The DLM System automatically delivers testlets which are a subset of EEs tested during the Fall and Winter Windows. Teachers are required to fill in the dates when testlets are given in the Spring Assessment Window.

Tested EEs are organized according to the claims and conceptual areas (see table 1). The specific EE for each grade are listed in tables beginning on page 3. Teachers are required to teach and assess the required number of EEs during the Fall and Winter assessment windows (see table 2). Any student not assessed on the required EEs within each assessment window will be considered an exclusion unless granted exception by the Iowa Department of Education. IEP teams must request this exception from the Iowa Department of Education by contacting jennifer.denne@iowa.gov
