Rule making related to financial management of categorical funding and providing an opportunity for public comment

The State Board of Education hereby amends Chapter 98, “Financial Management of Categorical Funding,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code section 256.7.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code sections 257.41, 297.22, 298A.8 and 298A.12 and 2018 Iowa Acts, House Files 2441 and 2467.

Purpose and Summary

Chapter 98 outlines the financial management of categorical funding. The amendments to Chapter 98 reflect significant legislative changes to categorical funding for Iowa school districts brought about during the 2018 Legislative Session. Those changes include clarification of allowed school district use of materials purchased for a home school assistance program; additional allowed uses of at-risk, returning dropout, and dropout prevention funds; major process changes regarding school district applications to the School Budget Review Committee for a modified supplemental amount for at-risk, returning dropout, and dropout prevention programs; a substantial change in allowed use of early intervention supplement funds, which is now any General Fund-appropriate use; allowing a school district to transfer from the General Fund to the school district’s student activity account an amount necessary for reconditioning of protective and safety equipment; allowing a school district to establish an unpaid student meals account within the nutrition fund and deposit moneys from the flexibility account within the General Fund to this account; and allowing school districts with a balance in the child care fund which exceeds the amount necessary to operate the before- and after-school program to transfer this excess to the General Fund by resolution of the board of directors following a public hearing. A more detailed explanation of these amendments follows:

Item 1: 2018 Iowa Acts, House File 2441, amends Iowa Code section 299A.12 to allow a school district to use items and materials purchased for the Home School Assistance Program for other purposes so long as those purposes do not prevent or interfere with the material’s use by parents or students utilizing the program. The amendment to rule 281—98.12(257,299A) implements that policy change.

Items 2 and 3: Over the last few legislative sessions, changes in allowed uses of funds generated through the at-risk formula under Iowa Code section 257.11(4) and funds generated through a modified supplemental amount under Iowa Code section 257.38 have resulted in these uses being identical. New subrules 98.18(1) and 98.18(2) reflect these changes.

Item 4: 2018 Iowa Acts, House File 2441, amends Iowa Code section 257.41(2), regarding appropriate uses of categorical funding for at-risk students, alternative programs and alternative schools, and returning dropout and dropout prevention programs. The amendment to subrules 98.21(1) to 98.21(3) implements those changes.

Item 5: 2018 Iowa Acts, House File 2441, amends Iowa Code section 257.10(11)“d,” pertaining to the allowed use of early intervention supplement funds due to the repeal of Iowa Code chapter 256D. New rule 281—98.23(257) reflects that change in allowed use.

Item 6: This item reletters a paragraph under subrule 98.22(3).

Item 7: 2018 Iowa Acts, House File 2467, creates new Iowa Code section 283A.11, which allows a school district to establish an unpaid student meals account in its school nutrition fund, and adds Iowa

Code section 298A.2(2)“c”(06), allowing funds transferred to the flexibility account under Iowa Code section 298A.2 to be deposited in the unpaid student meals account for purposes of paying student meal debt. New paragraph 98.27(3)“g” implements that change.

Item 8: This amendment to subrule 98.44(1) clarifies how a school district is to address textbooks previously purchased for a nonpublic school with funds appropriated for this purpose and how to account for unexpended funds provided for the purchase of textbooks for a nonpublic school in the event the nonpublic school ceases operation.

Item 9: 2018 Iowa Acts, House File 2441, amends Iowa Code section 298A.8(2) to allow an amount necessary for reconditioning of protective and safety equipment to be transferred from the General Fund to the school district’s student activity account. The amendment to paragraph 98.61(2)“s” implements this change.

Item 10: 2018 Iowa Acts, House File 2467, creates new Iowa Code section 283A.11, under which a school district is allowed to establish an unpaid student meals account in the school nutrition fund. New subrule 98.74(4) implements that change.

Item 11: 2018 Iowa Acts, House File 2441, amends Iowa Code section 298A.12, allowing school districts with a balance in the child care fund which exceeds the amount necessary to operate the before-and after-school program to transfer the excess amount to the General Fund by resolution of the board of directors following a public hearing as prescribed in Iowa Code section 298A.12. The amendment to subrule 98.75(2) implements this policy change.
