

## Computer Science Work Group

**February 9, 2021, 3:30-5:00 p.m.**

### Purpose

The work group, created by House File 2629, the most recent Future Ready Iowa bill, has two charges: (1) Develop recommendations to strengthen computer science instruction, and (2) design a campaign promoting computer science to students and parents. Recommendations are due to the General Assembly by July 1, 2021.
