

2022-2023 School District Open Enrollment Billing Chart

How to Use This Billing Chart

The billing chart contains the following columns by education program:

- **Tuition** – Open enrollment tuition is based on the state cost per pupil from the previous fiscal year (\$7,227) and is billed and paid on a semester basis (on or before February 15 and July 15) per Iowa Code section 282.20(3).
 - Termination or Suspension of Open Enrollment – Under special circumstances that terminate or suspend open enrollment status, a district must prorate tuition for payment on a per diem basis.
 - Partial Semester – Partial semesters should be based on a per diem rate, prorated for days served under open enrollment.
 - Competent Private Instruction (CPI) – For students under CPI for dual enrollment and are open enrolled in the district's home school assistance program, combine the appropriate rows in the following billing chart.
 - Transportation – The resident district may deduct transportation expenses incurred from the amount of tuition it sends to the receiving district. However, for a qualifying student with an IEP, the cost of transportation is not deducted from the special education tuition.
- **Supplementary Weighting: Teacher Leadership and Compensation (TLC)** – Districts will bill and pay for open enrollment for TLC per pupil (\$349.07).
 - Termination or Suspension of Open Enrollment – Under special circumstances that terminate or suspend open enrollment status, the district must prorate the TLC amount for payment on a per diem basis.
- **Supplementary Weighting: Limited English Proficiency (LEP)** – Districts should only use this weighting if the English learner was included in the resident district's October 2021 LEP supplementary weighting calculation.
- **Supplementary Weighting: Eligible Concurrent Enrollment (CE) and Project Lead the Way (PLTW) Courses** – For CE supplementary weighting calculations:
 - The receiving district will use the fall and spring Student Reporting in Iowa (SRI) application data to generate their billings. The list of CE and PLTW courses eligible for inclusion in the generation of supplementary weighting on October 1, 2021, is available under the [Course Coding and Supplementary Weighting heading](#) on the [SRI webpage](#).
 - The resident district will use the CE and non-fall supplementary weighting applications to verify the amounts being billed.
