

Accessing Burlington English

Before You Begin . . .

Install the Burlington English Student's Zone (SZ) software on your computer

1. Go to www.BurlingtonEnglish.com/Start
2. Click on **Download for PC** or **Download for Mac**.
3. Follow the directions to download the Student's Zone onto your computer.

Activate your Teacher's Zone (TZ) account

1. Get your activation code from BurlingtonEnglish administrator
2. Go to www.BurlingtonEnglish.com/TZ
3. Click on the BE Login icon
4. On the login screen, click New User
5. Enter your activation code and click Next
6. Enter your personal information. Choose Spanish or Haitian Creole as your mother tongue so that you can demonstrate the program to your students. Create your username and password and click Next
7. Write down and save your username and password for your records.

You can use this username and password to access all Burlington Resources.
