

Criteria for Determination of Significant Disproportionality

Identification

District must have a total of ten or more students enrolled with IEPs from the race/ethnicity in question and a risk ratio greater than or equal to 3.50 for any single year.

- for children with disabilities ages 3 through 21 for CEIS, and ages 6-21 for Indicator B9.

Placement

District must have a total of ten or more students enrolled with IEPs from the race/ethnicity in question, a total of ten or more students with IEPs of the race/ethnicity in question in the placement category in question, and a risk ratio greater than or equal to 3.50 for any racial/ethnic category for three consecutive years.

- for children with disabilities ages 6 through 21, inside a regular class less than 40 percent of the day for CEIS.
- for children with disabilities ages 6 through 21, inside separate schools and residential facilities, not including homebound or hospital settings, correctional facilities, or private schools for CEIS.

Removals

District must have a total of ten or more students enrolled with IEPs from the race/ethnicity in question, a total of ten or more students with IEPs of the race/ethnicity in question for the removal type in question, and a risk ratio greater than or equal to 3.50 for any racial/ethnic category for a single year or three consecutive years depending on the measure, details below.

Single year of data

- for children with disabilities ages 3 through 21, cumulative suspensions and expulsions of more than 10 days for B4A and B4B.
- for children with disabilities ages 3 through 21, out-of-school suspensions and expulsions of more than 10 days for CEIS.
- for children with disabilities ages 3 through 21, in-school suspensions of more than 10 days for CEIS.

Three consecutive years of data

- for children with disabilities ages 3 through 21, out-of-school suspensions and expulsions of 10 days or fewer for CEIS.
- for children with disabilities ages 3 through 21, in-school suspensions of 10 days or fewer for CEIS.
- for children with disabilities ages 3 through 21, disciplinary removals in total, including in-school and out-of-school suspensions, expulsions, removals by school personnel to an interim alternative education setting, and removals by a hearing officer for CEIS.
