

## 2020-2021 Public School District and NonPublic School Desk Audits

### Description:

The Universal K-12 Audits will open on September 15th and close on December 15th. No new items were added to the 2020-2021 K-12 Desk Audits. The Department ported forward the 2019-2020 Desk Audit information to the 2020-2021 Desk Audit. To find out what you need to do log into CASA and select Desk Audit. If the Desk Audit states "State Reviewed-Action Required" please open the desk audit, open the tabs and add additional information to the red highlighted section. If the Desk Audit states "State Reviewed-Complete, Submission Final" no further action is needed.
