

Temporary Permission to Provide Primarily Continuous/Remote Learning (Optional)

Fremont-Mills

(Status as of 09/25/2020 - Submitted)

Information

Department of Education and Public Health guidelines recommend applying for a waiver for temporary Continuous/Remote Learning for an entire school building or district for up to 14 days if both of the following criteria have been met. You may still apply even if you do not meet these requirements.

- 15-20% positivity in the county on average over the past 14 days
- 10% absenteeism among students expected for in-person learning

Only the Departments of Education and Public Health can make the determination and provide temporary authorization to move to 100% online or remote learning. This plan is fluid and subject to change as more information becomes available.

Circumstance Requiring Temporary Continuous/Remote Learning

Temporary Permission to Provide Primarily Continuous/Remote Learning is being sought for

- the entire public school district.
- one or more buildings within the public school district.
- a state accredited nonpublic school.

Please enter the date that you propose primarily continuous/remote learning will begin.

9/28/2020

Please enter the date that you propose primarily continuous/remote learning will end.

10/9/2020

What was the county's average positivity over the past 14 days?

Fremont County 17.5%
Mills County 6.7%

(112 Characters Left)

What is your current or anticipated absentee rate and how was it calculated?

We have 6% of our secondary population out due to positive test results. $12/201 = 5.97\%$
We have 52% of our secondary population currently in quarantine $105/201 = 52.24\%$
We've are a K-12 building with shared spaces

Provision of Temporary Continuous/Remote Learning

If the application for temporary permission is approved, how will the district or accredited nonpublic school ensure that all students with IEPs are provided with FAPE during the time the district/school is providing services primarily online?

We will give parents the option of a Zoom session during the student's normal IEP time or bringing students into work with their IEP teachers based on students' needs or internet connectivity concerns.

(299 Characters Left)

If the application for temporary permission is approved, how will the district or accredited nonpublic school ensure that students who require mental health or health services still have access to these services during the time the district/school is providing services primarily online?

Our school counselors/staff will reach out to students with mental health concerns. If the student is using tele mental health services and needs the school's internet to make that happen we will make those accommodations.

(278 Characters Left)

If the application for temporary permission is approved, how will the district or accredited nonpublic school ensure that students with 504 plans continue to receive services?

We will have our 504 coordinators review the students' 504 plans and notify each student to ask questions and make remote learning revisions as needed.

(349 Characters Left)

If the application for temporary permission is approved, how will the district continue to provide meals to

students?

We have a pickup location on our campus during this time.

(443 Characters Left)

If the application for temporary permission is approved, how will the district provide access to instructional materials and services for students who do not have access to the internet?

We will provide packets for students with no internet service.

(438 Characters Left)

If the application for temporary permission is approved, what process will you use to communicate with parents/families on educational services and changes in delivery models?

We will use email and our school app to communicate.
