Information

Department of Education and Public Health guidelines recommend applying for a waiver for temporary Continuous/Remote Learning for an entire school building or district for up to 14 days if both of the following criteria have been met. You may still apply even if you do not meet these requirements.

- 15-20% positivity in the county on average over the past 14 days
- 10% absenteeism among students expected for in-person learning

Only the Departments of Education and Public Health can make the determination and provide temporary authorization to move to 100% online or remote learning. This plan is fluid and subject to change as more information becomes available.
