

IDEA Determinations Summary

The Iowa Department of Education is required to make annual determinations for all sub recipients regarding compliance with and implementation of IDEA Part B and IDEA Part C requirements.

An LEA, AEA or Regional Grantee can be placed in one of four determination categories:

- Meets requirements
- Needs assistance
- Needs intervention
- Needs substantial intervention

Determination categories are not necessarily linear or sequential. An LEA, AEA or Regional Grantee may be placed in any of the four determination categories at any time.

41.603(4) Variance of determination. In making the determination required by subrule 41.603(2), the SEA in its discretion may adjust or vary from the criteria described in subrule 41.603(3) based on unusual, unanticipated, or extraordinary aggravating or mitigating factors, on a case-by-case basis.

Determination Category	Criteria – IDEA Part B	Criteria – IDEA Part C	Required Action
Meets Requirements	<p>An LEA meets requirements if</p> <ul style="list-style-type: none"> • Indicator B13 was above the threshold of 50.00% • Identified noncompliance has been corrected within one year <p>An AEA meets requirements if</p> <ul style="list-style-type: none"> • A single compliance indicator is below 95.00% • Identified noncompliance has been corrected within one year 	<p>Regional Grantee demonstrates through quantitative and qualitative data substantial compliance, which may include:</p> <ul style="list-style-type: none"> • All, but one Regional Grantee Requirements were met. • No fiscal audit findings. • Timely correction of identified noncompliance (within one year) – C9 Indicator. • Compliance indicator targets were met and/or improved: 1, 7 and 8A, 8B, 8C. 	
Needs Assistance - Year 1	<p>An LEA or AEA that does not meet requirements, need intervention, or need substantial intervention shall be determined to need assistance.</p>		<p>The Department exercises its authority to order any or all of the following:</p> <ul style="list-style-type: none"> • The Department and AEAs have resources available to assist districts to correct non-compliance • A plan is required to be submitted to the Department

Iowa Department of Education guidance should be viewed as advisory unless it's specifically authorized by state statute, according to Iowa Code section 256.9A as enacted by Senate File 475. This does not apply to administrative rules, declaratory orders, or materials required by federal law or courts.

<p>Needs Assistance - Year 2</p>	<p>An LEA or AEA that does not meet requirements, need intervention, or need substantial intervention shall be determined to need assistance.</p> <p>An LEA or AEA that is determined to need assistance and was determined to be Needs Assistance – Year 1 the prior year will be advanced to Needs Assistance – Year 2.</p>		<p>The IDEA requires the Department to order one or more of the following:</p> <ul style="list-style-type: none"> • Advise the LEA of available technical assistance that may help the LEA to address the areas in which it needs assistance, which may include any of the following: <ul style="list-style-type: none"> ▪ provision of advice by experts, including explicit plans to address areas of concern within a designated time, ▪ “assistance in identifying and implementing professional development, instructional strategies, and methods of instruction that are based on scientifically based research,” ▪ designating and using distinguished educators “to provide advice, technical assistance, and support,” and ▪ “devising additional approaches to providing technical assistance” (e.g., IHEs, AEAs, national centers of technical assistance, private providers of scientifically based technical assistance). • Identify the LEA as a high-risk grantee and place special conditions on its IDEA Part B grant. <p>In addition, the Department exercises its authority to order any or all of the following:</p> <ul style="list-style-type: none"> • A plan, developed with the assistance of the AEA, is required to be submitted to the Department • Progress report is required to be submitted to the Department midyear • Possible site visit conducted by Department staff
