

REGULAR SCHOOL YEAR SCHEDULE FOR 2017-18

	Window Opens	Window Closes
Fall	September 11th	October 6th
Winter	January 15th	February 9th
Spring	April 23rd	May 18th

Things to think about:

- We recommend that you try to conduct the screening within a two week window, allowing for some extra time the following week to catch any students missed.
- The system will again enforce assessment certification. This means that users will be prevented from administering any assessment that he/she is not certified to administer.
