Provision of Temporary Continuous/Remote Learning

If the application for temporary permission is approved, how will the district or accredited nonpublic school ensure that all students with IEPs are provided with FAPE during the time the district/school is providing services primarily online?

Special education teachers will have in place data collection and procedures for use with remote learning environments. Teachers will collaborate with families to monitor a child's progress remotely. Monitoring student performance progress will provide data for teachers and families in determining the effectiveness of instruction provided and any necessary adjustments.

If the application for temporary permission is approved, how will the district or accredited nonpublic school ensure that students who require mental health or health services still have access to these services during the time the district/school is providing services primarily online?

The district 5-132 guidance counselor will schedule regular office hours where she can virtually interact with students and parents. Individual appointments will be made as needed. Guidance will identify students that may need behavior support and work with teachers, parents, and students for any student who may have a behavior intervention plan.

If the application for temporary permission is approved, how will the district or accredited nonpublic school ensure that students with 504 plans continue to receive services?

The building principal, classroom teacher, and parents will collaborate to determine if any accommodations to a student’s 504 Plan is necessary. Assistive technology will be provided according to 504 Plan.

If the application for temporary permission is approved, how will the district continue to provide meals to
"To-go" breakfast and lunches will be offered to any student in quarantine. Families requesting "to-go" meals will work with the district to determine distribution.

If the application for temporary permission is approved, how will the district provide access to instructional materials and services for students who do not have access to the internet?

Families may make a request for paper copies of instructional materials and pick them up on Fridays. Administration is working with local internet companies to provide internet access to those families who demonstrate a need.

If the application for temporary permission is approved, what process will you use to communicate with parents/families on educational services and changes in delivery models?

Announcements and day-to-day messaging for students, families, employees, and the community will include the district website, social media, using JMC-management system, phone and text messaging.
